

Questions about I-9 Compliance and Worksite Enforcement?

Rose Immigration Law Firm, PLC

We will come to your company site, conduct a random I-9 audit, provide an overview of the business-related immigration laws and visa types, and answer these sticky questions and more:

- What type of visa is required to hire a foreign worker?
- How can the foreign worker get permanent residence (“green card”)?
- Are foreign workers eligible for unemployment?
- What do I do if the worker is undocumented?
- How do I know if the social security number is valid?
- Should our company register for E-Verify?
- How should I manage I-9 forms?
- When is the I-9 required?
- What should I do if our company is audited for I-9 compliance?
- How can we safely bench or lay off employees during the economic downturn?
- Does employment of undocumented workers subject me or my company to possible charges of harboring and other federal crimes?
- What is the fate of my employees who are picked up by immigration?
- Are we at risk of losing our Tennessee business license?
- What should I do if our company is targeted for a worksite raid?

Contact us to schedule an I-9 audit and worksite enforcement consultation at your company site.
